

Important information about Kennebunk Savings' lobby hours starting on March 18, 2020

After reviewing the latest guidelines about social distancing from the CDC, we feel it is in the best interest of our customers and employees to close all our branch lobbies to the public starting Wednesday, March 18, 2020 until further notice. We are doing this out of an abundance of caution and as a way to help limit the spread of the coronavirus.

Our Drive Up Banking, ATMs and night depositories will remain open at the branches. The following services will be available at our branches by appointment only: access to safe deposit boxes, debit card issuance, and change orders for business customers. If you would like to schedule an appointment, please call Customer Care at 1-800-339-6573.

Due to the rapidly changing circumstances of the pandemic, we may need to alter our branch hours based on employee and customer safety and staffing. For your reference, we will keep this list of branch hours updated daily on our [website](#).
